

Education

B.E. in Computer Engineering at Palestine Polytechnic University

Sep 2017 - Jun 2022

Relevant Courses: Data Structures, Algorithm Design & Analysis, Database Systems, Object-Oriented Programming, Web technology, Advance web technology, and Mobile Application Development.

Professional Experience

Software Engineering Intern

Aug 2022 - Present

Buthor Company

Palestine

- Working with a team in an agile environment to develop the front-end side of a confidential mobile application using **Flutter**.
- Designing user-friendly interfaces for the application using the UI/UX principle to bridge the gap between the application and the user using **Figma**.

Graphic Design Intern

Dec 2021 - Apr 2022

Mercy Corps

Palestine

- Designed logo, visual identity, and packaging for a [Gas Station](#) project by considering the digital design principle using **Adobe Photoshop and illustrator**.
- Designed and analyzed several product showcases and social media posts.

Other Projects

Smart Medical Reminder System

- The purpose of the system is to organize the medicines dozes for patients to prevent overdose problems.
- Designed and developed a mobile application to control the hardware component of our Medical System using **Flutter and Firebase**.

MRestaurant Website

- Designed and developed a user-friendly restaurant ordering website to organize the restaurants' information and menus using **Angular, Node JS, and MySQL**.

Technical Skills

Programming languages: Dart, HTML, CSS, C++, PHP, JavaScript, and Java.

Frameworks: Flutter, Angular, React, and Node JS.

UI/UX Tools: Figma, Adobe XD, Photoshop, and Illustrator.

Database Systems: MySQL and Firebase.

Other: Git, Jira, Postman, and InDesign.

Extracurricular Activities

- Taught the basic programming principles of problem-solving competitions to freshmen students and colleagues.
- Volunteered in several educational, cultural, and humanitarian institutions including the Hebron Municipality and the Code Club at Palestine Polytechnic University.

Awards, Competitions, and Certificates

- [Certified](#) from Udemy in UI/UX design using Adobe XD.
- **ACM-ICPC 2018 Training Competition:** 2nd place out of 30 teams in my university.
